Our Chairman's Desk

It gives me great pleasure to welcome you all to the Sri Ramajayam Group of Institutions. Sri Ramajayam of Educational Institutions has institutionalized '**From Darkness into Light**' as its motto for a continued search for knowledge and information, and share the received wisdom with the community to selflessly serve mankind. Every marble piece has within, certain unwanted parts, needing to be chiseled out by its maker, before being sculpted into a beautiful statue. We have diligently developed our academic philosophy by laying great emphasis on the pursuit of knowledge, its application and skills to help in its dissemination. Our underlying philosophy is to create new benchmarks by incorporating new initiatives in the field of education through modern and innovative teaching and learning methodologies. Sri Ramajayam knows no bounds in knowledge and realises the margin fades forever and ever as it moves. But within its boundaries, the disseminated knowledge embodies the spirit of inquiry, research and quality. Our search is incessant, our service is ceaseless and our perseverance untiring. Imparting right knowledge, enhancing wisdom and creating distinctive individuals is our pursuit.

Sri Ramajayam prides itself in not only being an institution imparting life's latest know - how but also instilling human core values.

May God bless you. May His mighty hand guide you in all your endeavors. May we continue to give our students strong roots like the Banyan Tree and stronger wings to conquer the world!!
